\*DA = Domain Authority - Search engine score directly impacts a domain's ranking. Your score goes up the more your site is linked to from sites with a higher DA than yours.

\*14 day money back guarantee

\*SV = Search Volume - The number of times a keyword is searched per month.

\*14 day money back guarantee \*Unlimited phone support

These features will be added to your SEO roadmap as required, for no additional charge. Your monthly site audit will determine additional features. We do not charge you for busy-work services that you do not need.

- On-Site Web Copy Creation
- XML Sitemap Creation
- Robots.txt Creation
- Analytic Recommendations
- Existing Content SEO Edits
- Meta Description Audits
- Toxic Backlink Disavows
- On-Site Broken Link Repair

We are the SEO team in your back pocket that you've always wanted. You can jump into the dashboard or email us questions about anything related to SEO strategy that you might have. We are always happy to offer advice and guidance with the ultimate goal of more traffic, leads, and sales in mind!

NOTE: If you would prefer to write your own onsite content, simply ask us to swap out your chosen plan's blog posts for the same number of additional guest articles. We'll advise you or your writer every month on what keywords and topics to write for. When you are done with the content on your side, simply send it our way for optimization and uploading.
